

Nottingham Fire Rescue Department
Press Release 2010-087

The Nottingham Fire Rescue Department would like to thank Nottingham Girl Scout Brownie Troop 22058 members and their leaders and families for serving a wonderful homemade breakfast to members of the Town of Nottingham Emergency Services (Fire, EMS and Police) on Saturday morning April 24th at the Community Center.

The girls came up with the idea through Girl Scout cookie sales. Each year, there is an opportunity to donate cookies. The girls decided to keep them local and thank the people who impact them in their home town. They chose the Fire/Rescue and Police Department members. The girls, with their families and Troop Leaders Lori Wiberg and Allie Jean served up a wonderful menu of delicious homemade breakfast items, and waited on us! Other parent helpers included Amanda Dellario, Corrie Cantwell and Tiffany Wert. The girls also shared lots of Girl Scout Cookies with us!

We appreciate their honoring the Emergency Service Personnel with this breakfast, and thank them for the time, energy and thought which went in to such a great project.

Congratulations to all of the members of Nottingham Girl Scout Brownie Troop 22058 for meeting their community service requirement as well!
